

Clean Water Event at Raritan Township

Where: Township Municipal Building - Court Room
1 Municipal Drive on the Route 12 Circle and Rte. 523

When: March 18, 2008 7:00 pm to 8:30 pm

Why: Come and learn about non-point source pollution and how we can all help to improve water quality in our town.

Agenda:

Power Point presentation by Chris Testa - Hunterdon Soil Conservation Service, on non-point source pollution and storm water management.

Discussions by the Storm Water Management Committee about clean water programs now in process.

Educational handouts.

Question and answer session.
