The Lower East Side is going to "rock n' roll" a little bit harder and louder this Friday night, when the band [ARENA Relive The Rock](#) comes to town. ARENA is a remarkable rock band that captures and pays homage to the big, iconic, classic sounds of the 70's, 80's and 90's.

ARENA Relive The Rock

This 6 year old band is making an impressive name for itself, because of the way it channels some of the greatest rock-n-roll bands of our time. Bands like: Styx, Guns N' Roses, Foreigner and Queen; just to name a few. The sound of this band is so brilliant and on point, if you closed your eyes, you'd think you were actually listening to your favorite classical rock band, live.

Duane Belotti, ARENA's charismatic guitarists and vocalist says the members of the band wanted to create a show that included a total rock experience.

"I enjoy playing ARENA Rock music because of the feeling and energy I get from performing my favorite tunes, note for note, in front on a live audience and seeing their reaction. The audience can't help but sing a long."

What makes this band even more unique, is that all 5 of the [musicians](#) come to the group with very diverse backgrounds. Two of the band members are [Berklee College of Music](#) graduates, including the lead vocal singer, Roberta Gold.

ARENA Rocks It Out LIVE In NYC

By Dr. Robi Ludwig

The idea of becoming an international rock star seems like the coolest gig you could ever get. But since I can't sing, the goal to discover my inner Madonna or JLo will have to stay a dormant, long distant fantasy, for now. However, on nights like this Friday night, when a cool band like, [ARENA Relive The Rock](#) comes into town, I can once again entertain the idea of bringing out my inner singer, especially if no one can hear me (lol).

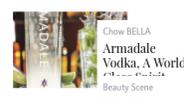

Don't miss a beat! Click [HERE](#) to become a BELLA Insider!

Unlike me, the lead vocalist for ARENA, Roberta "Gert" Gold, discovered her inner rock star when she picked up her hairbrush as a kid and turned it into a make shift microphone. She's been writing, and making music her fans can't get enough of, ever since.

ARENA is a remarkable rock band that captures and pays homage to the big, iconic, tunes of the 70's, 80's and 90's.
