Open Session Agenda:

1. Township Open Space Plan – Jessica Caldwell, our planner, is compiling the draft plan and public comments and the plan will be submitted to the Raritan Township Planning Board for review and adoption as the Open Space Element of the Township Master Plan. The adopted plan will then be submitted to NJDEP Green Acres. The plan is a requirement for continued Green Acres Planning Incentive Grant funding for Land Acquisition. The plan will be reviewed by the Planning Board after NJDEP Green Acres makes a decision by the township to correct the ROSI by removal of the Dayton Road property Block 63.14 Lot 23 from the ROSI.
2. Recreation and Open Space Inventory (ROSI) – The updated ROSI was submitted to NJDEP Green Acres 12/3/18. The ROSI update is required for Green Acres funding. There was a public hearing on July 9, 2018 and a subsequent Township Committee meeting held to solicit public comment regarding a requested amendment to the ROSI to make a correction regarding on Dayton Road. The entire 20-acre lot was included in the 2011 version of the ROSI submitted to Green Acres. The Township is clarifying that a 8.9 acre portion of the lot is to be used for affordable housing and that only the remaining portion, that is under conservation easement, should instead be on the ROSI instead of the entire parcel. Waiting for feedback from Green Acres. [http://www.state.nj.us/dep/greenacres/pdf/osrpg\\_2017.pdf](http://www.state.nj.us/dep/greenacres/pdf/osrpg_2017.pdf).
